

# Franchisee Opportunities

Interested in owning your own business?

Retail Strategies is a strategic partner with the City of Broussard

Their role is to assist the community in identifying gaps in our retail market and then fill those gaps through working with local merchants, entrepreneurs, and growing retailers looking to open a location in Broussard.

Retail Strategies is in communication with national and regional franchises actively looking in Broussard, & many of them are searching for a franchisee to own and operate a new store.

If you are interested in owning your own business & becoming a franchisee, please contact Lyndsey Bailey or Adam Shackelford with Retail Strategies.

Start-up costs typically range from \$25k - \$3.5 mil

Retail Strategies has access to our demographics & retail trade area via market analysis
